Mayor Buscaino,

As a concerned resident who has been voting for you, I am hoping you can help the situation in the alley behind my home. I live between 10th & 11th Street to Mesa/Centre Streets. The alley is a complete disaster filled with illegal dumping that has been going on for weeks. Currently the alley is over flowing with illegal dumping from a home being remodeled in the address of 331 10th Street, San Pedro, CA. I called code enforcement today and was told it would take several weeks to clean up and no one could come out to give a citation to the illegal dumpers. The alley is not accessible due to the clutter of items going across the alley way. Also, the owner of the apartment building at 326 11th Street, San Pedro, CA is always throwing the tenants property who are evicted into the alley and sidewalks from those units almost on a monthly basis. Us in the neighborhood have gotten nowhere with code enforcement and are sick of the illegal dumping and our neighborhood looking like trash. Please help us get the responsible parties cited and help our alley look decent since it's a complete hazardous mess.
